COMPONENT LIST

Each FCA EMEA-LATAM-APAC or FCA NAFTA project need to be managed with appropriate component list

Machine suppliers have to download component list on the SMC Europe website :
http://www.smc.eu/portal/WebContent/local/IT/Project_Book/ProjectBook.jsp

for FCA EMEA-LATAM-APAC projects download and use :

FCA_EMEA-LATAM-APAC_Component_List file

for FCA NAFTA projects download and use :

FCA_NAFTA_Component_List file

SCOPE OF DOCUMENT

This document contains product information to be used for the selection of components for the FCA EMEA-LATAM-APAC - FCA NAFTA programs. This document provides a basic guide to selecting the correct type pneumatic product for the correct application. It also provides the necessary contact information to assist in application engineering and program management.

All information contained in this document is superseded by the requirements of the FCA EMEA-LATAM-APAC - FCA NAFTA **Global Specification**.

A current, and accurate, copy of the specification can be found at the following web addresses:

<http://supplierinfo.fiatpowertrain.com/index.php>

<https://gsp.extra.chrysler.com/mfg/amedd/powertrain.htm>
